TECHNICAL THEATRE

If not cast, would you participate with the crew for the show? (Circle one) YES NO

What is your preference? (Circle one) CAST CREW

If you answered YES, please also sign up for an interview and fill out a technical theater application.

TURN OVER 1 of 2 pages

Please list all conflicts for the month August and September (beginning 8/26) = Mondays through Thursdays 3:30-6:30 pm, and Saturdays. **Please note, NO conflicts will be accepted for technical rehearsals/performances September 23rd – October 14th.** There is a break September 29th, October 7th, 8th, 9th, 13th.

By signing below, you acknowledge: That all the information on the application sheet is accurate and correct. That all conflicts are clearly listed. That you understand the audition requirements. That you understand the class requirements, and if chosen, you are enrolling in a 7th Period Class, meaning you will obey all RUHS school and production related policies while part of the show. That all students involved must have at least a 2.0 GPA for participation. That you understand the rehearsal schedule. That callbacks, by invitation only, will be on Monday August 19th. That class ranking does not ensure or guarantee casting. There is a “no diva” policy for RUHS Theatre Arts – if you are auditioning for this production you are willing to accept any role. Refusal of a role may constitute not being cast in the next RUHS Theatre Arts production. That there is a \$75.00 lab fee associated with this production. Payment plans/financial scholarships can be awarded on a case by case basis. I understand that if my student is cast in this production, it will require a time commitment for both my student and me. I agree to volunteer for ONE position (which will be discussed at the mandatory Parent Meeting September 9th) in order to help support this production.
