Please list all conflicts for the months of September and October = Mondays & Wednesdays 3:30-6:30 pm and Saturdays 10-4:00. You may refer to the tentative rehearsal calendar listed on the callboard/Google Classroom. Please note, no conflicts will be accepted for technical rehearsals/performances October 2nd – 16th. First meeting for all technical crew is Tuesday September 5th 3:30-6:30.

**The Dining Room & Shrek crew members only need to submit completed application to Ms. Staab by 9/1 and are excused from the interview process, however, this does not guarantee you will be given a role in a crew.*

By signing below, you acknowledge: That all the information on the application sheet is accurate and correct. That all conflicts are clearly listed. That you understand the class requirements. That you understand the rehearsal schedule. That class ranking does not ensure or guarantee a position. I understand that if my student is part of this production, it will require a time commitment for both my student and me. I agree to volunteer for ONE job on a parent committee (which will be discussed at the Parent Meeting Wednesday 9/20 @ 7 pm) in order to help support this production.
